Foods and beverages sold at and by schools and afterschool programs should reinforce the healthy habits that we all seek to instill in youth, setting them up for lifelong success. Fundraisers can be successful and engage youth, the community, the school building and out-of-school time programs in meaningful ways without undermining healthy eating messages.

**HEALTHY FUNDRAISING SOLUTIONS**

**STEPS TO SUCCESSFUL FUNDRAISING**

1. Update your wellness policy so that fundraisers must be activity-based, sell non-food items or only sell foods that meet the USDA's Smart Snacks in Schools nutrition standards.

2. Talk with your PTO, principal, coaches, school and booster clubs, parents and food service staff about the importance of offering healthy fundraising options and provide them with examples.

3. Enlist students to research and develop healthy, profitable fundraising ideas and include them in the planning process.

4. Develop a budget and plan for the school year that includes:
   - Identifying fundraising needs and what the funds will support
   - Outlining potential fundraising activities
   - Estimated revenue from each activity
   - Estimated expenses resulting from activity
   - A calendar of when the activities will occur
   - Estimated involvement from youth and/or parents
