Sour cream, light	1/4 c.	
Tortilla, Flour, 6", Whole Wheat, 24/12ct, 19.5#, 1WG, Mission, 10462	25 tortilla	

## Preparation Instructions

HACCP Process: #2 - Same Day Service

1. In a large pot over medium heat, saute onions and garlic in oil for 45 seconds until garlic turns slightly brown.
2. Add salsa, chiles, pork, chicken base, and water to pot and let simmer for 25 minutes. Internal temperature must reach 165 degrees F.
3. Finish by stirring in cilantro, lime juice, and sour cream.
4. Using a 2 oz spoodle or scoop, place pork onto tortilla and wrap like a burrito. Place on a sheet tray, or 18x13 inch tray and hold hot for service.

Separate raw animal foods, such as eggs, fish, meat, and poultry, from ready-to-eat foods, such as lettuce, cut melons, and lunch meats during receiving, storage, and preparation.

Food prep areas, equipment, and utensils, to be used in recipe will be washed and sanitized prior to beginning the preparation and cooking.

Assemble all ingredients, utensils, etc. to be used in recipe within easy reach of prep area so that food safety can be managed more effectively as well as better control of contamination and cross contamination.

Remove products from storage using oldest pack date first. If frozen, keep product in original packaging and place in a pan(s). Place in cooler following proper HACCP storage guidelines to prevent cross-contamination.

CCP: Take and record on a temperature log all beginning temperatures of refrigerated foods before beginning the recipe.

Wash hands thoroughly before handling food, after handling contaminated food or objects, and before switching to another step where there is an opportunity for contamination. This applies as well to before and after glove use. Use clean pair of gloves when handling raw product. Replace gloves after handling any other object.

If a recipe contains a combination of meat products, cook the product to the highest required temperature.
